

may not need the device for
elevation! *

* inspiration
* snapmap
* good maps

*

* things needed:

roads
sidewalks
cycloans
footpaths
blue
off road } born

weather notification

→ if it will rain & % change of rain

* = rain - 1.0 sunny

partly cloudy 1.0
cloudy

commuting

maps
selection

specify the start & end points
of travel for the best route

* = send

o = stat
